

Complete this registration and eligibility pre-screen before the event. This form does not replace the official NSW Police P650 declaration, which must be completed and accepted before any unlicensed participant may possess or use a firearm.

- ☐ I understand I may select and complete only one package.
- ☐ I will bring the original current photo ID recorded above.
- ☐ I understand this registration is not the official P650 declaration.

For participants aged 12 to 17, a parent or legal guardian must attend and complete all official consent requirements.

Answer honestly. These questions reproduce the personal-history screening in the NSW Police P650 form current when this form was prepared. The official P650 must still be completed and signed. A false or misleading answer may be an offence.

Screening outcome

If you answer YES to question (a), speak directly with a club representative before booking. If you correctly answer YES to any question (b) to (i), you are ineligible to participate in shooting activities involving possession or use of firearms under the current P650 process.

If you selected an answer in error, tell the club. The official process may allow a newly completed and signed P650 to replace the earlier form. The club cannot give legal or medical advice and may require confirmation from NSW Police or another appropriate authority.

Eligibility and legal change

Registration does not guarantee participation. Participation is conditional on the participant being legally eligible on the event date, producing acceptable original photo identification, completing and signing the official NSW Police P650 declaration or any replacement permit or process then required, and being accepted by the club or range official. If the P650 exemption is removed, suspended or replaced before the event, participation will proceed only if the participant satisfies the law and NSW Police requirements then in force.

One package only

The participant may book and complete one try-shooting package only. Package changes are subject to availability and club approval. Ammunition, eye and ear protection and direct supervision are included as advertised.

Deposit and payment

A 50% deposit is required by 24 October 2026, being seven days before the event. The required deposit is \$45 for Rimfire Pistol, \$55 for Centrefire Pistol and \$75 for the Mix Package. The remaining balance must be paid on 31 October 2026 before participation. A booking is not secured until the required deposit has been received and confirmed.

Direct supervision and directions

The participant must remain under direct supervision and comply immediately with every instruction given by the range officer, supervisor or club official. Firearms and ammunition may be handled only when and as directed. The club may stop an activity at any time to protect safety or comply with law, range approval conditions or club rules.

Behaviour and fitness to participate

The participant must act safely, respectfully and cooperatively. Any person reasonably suspected of being under the influence of alcohol, illicit drugs, prescribed medication or any other substance that may impair judgment, coordination, behaviour or safe firearm handling will not be permitted to participate. Aggressive, reckless, impaired, threatening, abusive, dishonest or otherwise concerning conduct, refusal to follow directions, unsafe handling, unsuitable clothing or equipment, or any circumstance that causes a club official reasonably to doubt the participant's suitability may result in refusal of entry or immediate termination of participation.

Fees and termination

If participation is refused or terminated because of ineligibility, failure to bring required identification, an adverse or incomplete declaration, unsafe conduct, attitude, impairment, non-compliance or other participant-caused issue, the fee may be forfeited. If the club determines for another reason that a participant is not suitable to continue, the club may provide a full or partial refund at its discretion. Nothing in these terms excludes, restricts or modifies rights or remedies that cannot lawfully be excluded under the Australian Consumer Law or other applicable law.

Operational changes

The event, session time, package, firearm type or ammunition may be changed, postponed or cancelled because of law, police direction, range approval, safety, staffing, weather, equipment availability or other operational requirements. Where the club cancels and cannot provide the booked service, the club will offer the remedy required by applicable law.

Privacy and records

The participant authorises the club to collect the information in this registration for booking, eligibility screening, identity checking, safety administration, payment and legal compliance. Sensitive personal-history and identity information must be stored securely, accessed only by authorised personnel, retained only as required for operational or legal purposes, and disposed of securely. Information may be disclosed where required or authorised by law, including to NSW Police. Do not email an unencrypted copy containing identity numbers unless the club has provided an approved secure method.

No waiver of official requirements

This registration and pre-screen are administrative tools only. They do not constitute police approval, a firearms licence or permit, legal advice, medical clearance, or the official P650. The official declaration and club certification must be completed in the manner required by NSW law before firearm possession or use.

Important event-date condition

The NSW Police Force has announced that the current exemption for unlicensed persons using firearms under the P650 process will be removed. This event is therefore expressly conditional on the P650 process or another lawful authority remaining available and on every participant meeting the requirements in force on 31 October 2026.
